Subject: v. [REDACTED]

Good Morning-

I apologize for asking you, but I don't know who the ADA is handling this case as my summons doesn't list one, and I'm hoping you can help me out. I'm curious if the summons I received for the [REDACTED] case for February 13, 2012 is accurate as it says it is for a Motion to Suppress. Is it suppose to say trial, or is it really a Motion to Suppress and I won't be needed? I'm wondering as I have a Superior Court case in Springfield scheduled in the afternoon as well as a couple district cases in Springfield that I'll be on-call for that day. The Springfield district cases are just a bit more recent than the Peloquin case, and I really doubt they will actually go to trial, but I want to let the other ADAs know what's going on. Thanks.

-Sonja
